

IOSH Working Safely

Qualification Overview Factsheet

The Launch Group Overview

The Launch Group are an award-winning, IOSH approved and Matrix Accredited training provider. Started in 2013, we possess a proven track record of designing and developing a range of training programmes and qualifications, tailored to specific job sectors. We work with some of the worlds leading companies, and everything we do has one goal in mind: to carefully develop our customer's existing skills and enhance career prospects.

IOSH Working Safely Introduction

We know that we need to really inspire our training delegates to get them engaged with safety and health. And if the learning is enjoyable and stimulating, we stand a better chance of getting across vital safety and health messages. Working Safely is a completely different approach to safety and health training. It's a high-impact programme designed to be fun and get people fully involved. The first-class, jargon-free content is based on what people need to know in practice, and not off-putting legal language.

Who is Working Safely for?

Working Safely is for people at any level, in any sector worldwide, who need a grounding in the essentials of safety and health. It gives everyone at work an understanding of why they must 'work safely' – and does it in an enjoyable way.

Where can this course be taken?

This qualification can be studied either in person in a face to face classroom environment, or online using our e-learning platform, allowing you to study in your own time around existing commitments.

What does the business get?

- Peace of mind from training that's designed and quality-controlled by a credible Chartered body for H&S
- Efficient & effective learning – health, safety & environmental basics are covered in a single days session
- Globally-recognised, respected and certificated training for its staff
- Memorable and thought-provoking facts and case studies from around the world, to help reinforce learning throughout the course. Each module is backed by scenarios from genuine work situations. The course includes interactive games and quizzes, helping delegates to learn in a refreshingly informal way

Working Safely Topics

The Launch Groups - IOSH Working Safely qualification covers the following topics:

- An outline of occupational safety and health
- Defining hazard and risk
- Identifying common hazards
- Improving safety performance

What results can I expect?

- Greater productivity, from fewer hours lost due to sickness and accidents
- Improved company-wide safety awareness culture and appreciation of safety measures
- Active staff involvement to improve the workplace
- Enhanced reputation within your supply chain

How long will it take?

Typically, the Working Safely qualification takes 1 day to complete. On completion of the course, successful delegates are awarded an IOSH Working Safely certificate.
